UNIVERSITY MEMORANDUM

No. 179
 Series of 2023

TO: The PNU System

SUBJECT: The University Academic Calendars for Academic Year 2023-2024

The Board of Regents approved through PNU BOR Resolution No. R-12, series of 2023 dated July 12, 2023 and confirmed through PNU BOR Resolution No. U-3619, s. 2023 on August 9, 2023 the University Academic Calendars for the Undergraduate Level as well as the Graduate and Post-Baccalaureate Levels. The calendar defines the official dates and time frame of University events for the entire school year in three-term (trimester) format to serve as a guide and reference for the Campuses, Colleges, Institutes, Faculties, and concerned Offices when planning for various academic activities.

Please be reminded that the University Academic Calendars are subject to change without prior notice due to unforeseen circumstances such as possible shifts in the observance of local or national holidays, declaration of suspension of classes within the locality, or other emerging concerns. In addition, the PNU Campuses may adjust their respective calendars based on the previously mentioned reasons. When these occur, the University President, through the recommendation of the Vice President concerned, reserves the right to make arrangements for the benefit of the students and classes that are affected.

An online copy of the University Academic Calendar shall be made available at the PNU website for the information and guidance of the PNU Community and the general public.

The corresponding Governing Board Resolutions are attached, for your information and reference.

Widest dissemination to all concerned is advised.

Your usual cooperation and support are enjoined.
